

# Dedication

CURA PERSONALIS — a loving care and concern for the individual — has long been at once both a goal and a hallmark of Jesuit Education. And Father James Keenan is loving proof that the tradition is alive and well on 16th Street, as witness the testimony of thousands of students, parents, faculty, and alumni over the years: those who knew him as a young crewcut scholastic, and those of us who have known him as a long-haired Assistant Headmaster and Headmaster, and now, as a believing, confident Rector-President, still on the sunny side of middle age.

As a tribute to his continued, Christ-like concern for us, we proudly dedicate our yearbook to him. And we do so with the sincere hope and prayer that the years behind are but a token of the years of service ahead. Would that this modest dedication could reflect his total dedication.

We thank you, Father Keenan, for your care and concern. We ask that the Lord you serve so generously and well will repay you a hundredfold. God bless!

**ANS to get Chase bank's 1804 dollar  
other rarities to join its cabinets**

By David L. Goss  
Special Correspondent

The great American coin in the fabulous Chase Manhattan Bank collection — an 1804 silver dollar in Extremely Fine condition — is being donated to the cabinet of the American Numismatic Society in New York.

Donation of the key rarity, along with a 1793 half-cent, and several pieces of scarce foreign and modern paper money, is being made by the bank to the ANS prior to the ultimate disposition of the 22,000-piece collection of money of the bank.

Formal agreement to accept the coins and paper money, which will actually be in the hands of the ANS, was signed by the bank's president, John J. McLaughlin, and the ANS president, John W. Pritchard, in Washington, D.C.

Negotiations between the Chase and both of the Smithsonian and the ANS were ongoing more than two years, and as reported in the 27 issue of Coin World, it seemed likely the National Museum in Washington would receive the whole corpus of the collection.

The ANS receives the star specimen silver dollar, the 1804 Liberty Dollar.

The American Numismatic Society's cabinets will be enriched by the addition of the 1804 Liberty Dollar and other rarities.

# Higher Achievement Program

The Higher Achievement Program helps seventh graders prepare for their co-op exam, and opens up scholarship opportunities for them. Fr. Flynn, S.J., Director of H.A.P., gives a six week course in reading, math, and English. He is helped by tutors, H.A.P. scholarship winners, who earn their way through Xavier by taking charge of the classes. Each day is filled with school sports, and study. All summer you can see Luciano Cortes, Sam Greaves, Greg Howard conducting reading classes, Sam or James Ganzalez, Milton Jones, Mike Collins tutoring in math, or watch Richard Ramos, Brian Crawford, and Daryl Washington aiding in English.

Joe Nordiello, Sydney Jones, and Charles Sotolongo help run track, basketball, and volleyball competitions, aided by John Portelli, Joe Diaz, and Mark Dorsey.

# Yearbook

The 1978 Yearbook has been a group effort drawing upon the expertise of many throughout the school. The staff of juniors and seniors moved the book towards publication by leaps and bounds under the guidance of veteran staff member and editor-in-chief Gary Nielsen. Gary was ably assisted by associate editor-in-chief Eugene Innocenti. Senior editor Ed McCarthy also distinguished himself by putting in many hours during and after school throughout the year. Other seniors, such as Mike Suarez, Frank Savino, Carmine Morreale, John Curry, Peter Martino, Tim Evans, Mark Flagan and Peter McGovern contributed to various stages of the book's production.

Junior assistant editors Sid Jones, Michael Keane, Mike Lacqua, Joe Rutch and Frank Cuddihy gave up many afternoons after school to work on the book, especially in the last month and a half of production. Next year's book will profit very much from their talent and experience.

Moderator, Mr. Bill Dolan, S.J. was fortunate to inherit the core of a staff trained by expert former moderator Fr. Patrick Sullivan, S.J. Fr. Sullivan's efficient system of book production and diary of "how to put out a yearbook" were invaluable to us all.

We give our best wishes to the graduates of 1978 and hope that our book will provide you a way to take the best of Xavier with you wherever you are. To Fr. James F. Keena, S.J., to whom we have dedicated our work, we wish you graces and good gifts of the Lord in the years ahead.

# Football

Although this year's Bruin campaign was not as successful as other years, it may prove beneficial to the overall football program here at Xavier. Many underclassmen got the needed experience to build a strong nucleus on the varsity level, while the upperclassmen got the opportunity to know the game first hand.

With the intense off season weight lifting and conditioning programs, next year should be the light at the end of the tunnel. There is no reason to not expect an excellent season in the coming year. With CHSFL experience and the building up of the entire program the Bruins should once again strike fear into the hearts of their opponents.

# Basketball

At the close of the regular season, the Xavier Warriors emerged as one of the big powers in their division. Their impressive record of 15-6 exemplified this. The team was led by co-captains, Ed Gooding and Joe Andrews, and strongly backed up by seniors Tim Daaleman, Peter Lavin, Sal DiMaggio, Charlie Sotolongo, Mike Surrella, and Bill Gyves. Returning to the team will be Junior starter Charlie Lachner, flanked by remaining Juniors Mike Davis, Sean Dillon, Joe Mills, Steve Staranka, Pat Mangan, and Jim Clausing. Although the team lost in the opening round of the city playoffs, it could not darken the second consecutive season in which the Warriors attained a playoff berth by beating such strong contenders as Mount St. Michael, Stepinac, and Power Memorial.

A special note should be made that at the close of the season, Ed Gooding ended his brilliant three year varsity career by finishing first in scoring in New York's division 1 and 2, also becoming Xavier's all time leading scoring by surpassing the 1,000 point mark with 1,261 total varsity points. Ed, along with teammate Tim Daaleman were voted to the first team of the New York Archdiocese All Star Squad.

The basketball program at Xavier is composed of head coach Mr. Tom Carpenter, J.V. coach Mr. Franklin Caesar, and Freshman coach Mr. Brian Daly.

This was a year of changes for the Xavier Dolphins; one which saw the retirement of Coach Len Galuzzi and the appearance of Bill Logan and Bill Eichelberg as the new coaches. Besides receiving new coaches, Xavier saw the balance of power shift in the C.H.S.A.A. League. Because of the new level of competitiveness the Dolphins found themselves in the strange position of being second, with a 9 and 1 league record for C.H.S.A.A. Dual Meets and a second place finish in the C.H.S.A.A. Individual Championships.

The season ended on a high note when the Dolphins surprised everyone and finished eighth at the National Catholic Swimming and Diving Championships at Villanova, Pa.

Work has already begun toward next year, with the goal of the team to be number one once again. Congratulations on this year's work and good luck for next year.

# Track

As usual this year's track team achieved considerable success. Although they didn't have as many great individual runners, they possessed outstanding depth. Several school records were broken and the 880 yard relay recorded the second fastest time in the city.

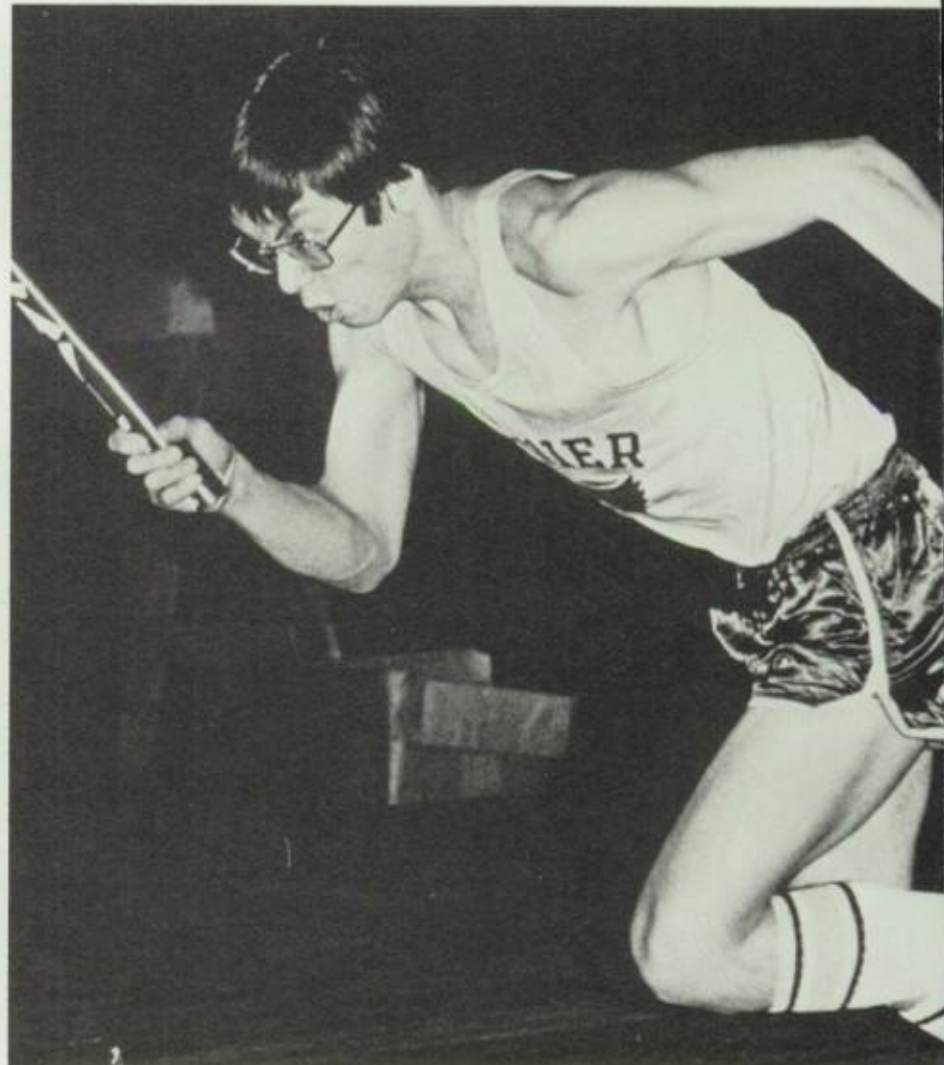

Although the loss of senior runners Michael Powell, Howie Childs, Michael Suarez, Joe Profaci, and Christian Foote will be deeply felt, Head Coach Jim Scott and Assistant Coach Joe Fox are confident that Clifford Lubin, Sydney Jones, Jim Scott, Charles Caruth, Doug Powell, Phil Kolb, John Foley, sophomores Fritz Gaspard and John Profaci will continue the winning ways of the track team. Special thanks to coaches Jim Scott and Joe Fox who guided the team to their eighth consecutive Jesuit Indoor Championships.
